Construction project begins on ND Highway 46 Sheyenne River Bridge

Construction has begun on ND Highway 46 on the Sheyenne River Bridge, six miles west of ND Highway 32 near Enderlin. Work consists of grading and maintenance.

During construction:

- Speeds will be reduced to 25 mph in the work zone
- Width restriction of 12 feet will be in place in the work zone
- Flaggers will be present in the work zone
- A temporary bypass will be in place
- Loose gravel may be present on the temporary bypass
- Motorists may experience delays

This project is expected to be completed by early October.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
